

**\*APPEAL\***

You all are aware that an Advisory Committee is constituted with senior members of our association. They provide us guidance for improvement and strengthening of our association. As suggested by the Advisory Committee, our Managing Committee in its meeting held on 28-6-19 decided to collect Rs.50/- (every month) from every member to strengthen our funds position. Hence an appeal is being made that every member is requested to give standing instructions to his pension paying branch to deduct Rs.50/- from his pension account and credit to our association account. The details of our association account are furnished as under: SBHREA SBI, Gunfoundry Br., SB A/c No. 52019745970 IFSC No. SBIN0020066 Many of the Pensioners' Associations are following this way of collecting funds to lessen the burden on members. Now that our apex organisation SBRA takes up legal matters on behalf of its affiliates we may have to share the proportionate expenditure. We request you all to accordingly issue instructions to your pension paying branch and strengthen SBHREA.

General Secretary

SBHREA.
