

APPEAL

DEAR MEMBERS / RETIREES

SBHREA congratulates all the members for supporting the organisation, for the efforts putup for achieving retirees benefits due and justifiable.

100% DA neutralisation:

We are happy to note the relief felt by senior members on receiving the arrears. We received calls from members enquiring about the levy to be contributed by them. This was an anomaly rectified after long wait. Hence keeping the delay and age of the members in mind, SBHREA has decided to accept donation of only Rs.1000/- from the beneficiaries and no levy to be collected. This donation will purely be voluntary contribution from the members. Please note that all organisations run on membership fees, donations and levy on arrears.

The retiree may credit to SBHREA account with Gunfoundry branch - SB A/c no. 62424185455 IFSC : SBIN0020066

Membership Drive:

SBHREA collects only Lifetime membership fees of Rs.2500+100/-. In 2023 the membership income received is very meagre, and the monthly establishment expenditure (tough reduced wherever possible, like office bearers not taking conveyance to attend office, no Telephone bill reimbursement since Jan' 2022) is not being sufficient to be met from receivables. As a measure to augment more funds, it has been decided to go for membership drive. It is decided to admit members for Rs.1000+10 till 31/03/24. We request all State Bank retirees, who have not joined SBHREA, to join immediately by availing the concession in membership fees offered. The membership application forms can be downloaded from SBHREA website or collected from office or from Elected representatives.

The Appeal for donation and reduction in Membership fees are unanimous decisions of the Managing Committee.

United we stand
