Dear Member,

Welcoming New Year 2024

SBHREA team spread 'All India', wish our members a very Happy and Prosperous New Year 2024. We feel proud to declare that our team of 39 leaders made a lot of difference in reaching and extending required services to the members settled pan India. No leaf is left unturned to reach all categories of retirees. Taking from top executive retirees to part time peon retiree, everybody's needs are taken care of.

Past 3 years, SBHREA strived hard to strengthen the information dissemination channels and ensured that retiree related news reach many members instantly. Now our members are aware that nothing can go without their notice. This gives immense pleasure to all of us, who volunteered to serve you all for 3 full years.

We leaders of SBHREA are committed to keep the SBHians together, despite our beloved SBH being merged 6 years back. Our organisation has history of 37 years and we need this shelter as long as we are covered under Pension Regulations 1995. We need to be united and achieve success in resolving all eAB's problems. The eAB retirees, retired after merger also are facing major problem. Their Bank contribution of PF, is being denied from date of their appointment and being paid only from date of merger ie 1/4/2017, for those who opted SBI pension. For those who opted SBI pension, SBRA is corresponding with SBI management and taking legal recourse.

We request all members to note that our fights start with causes of Old Hyderabad Bank pensioners issues to retirees post-merger. We leave no stone unturned, until we are satisfied that all our members' issues are redressed.

Long way to go, but we SBHians will march on, together and hand in hand until we succeed.

Long live SBHREA

With regards

(K. Rohini Rao)  
General Secretary,
