

Payment of arrears

Dear friends,

On account of constant follow up with Corporate Center and also on account of indulgence of CDO, Bengaluru Circle, now, issues have since been referred to General Manager (Law) and data sought by PPG Department, Corporate Center has also been sent to the Corporate Center. There are indications of early and positive communication from the Corporate Center, with regard to payment of arrears.

In the meantime, parties before Supreme Court are filing Contempt Petition and our Commune has already collected over 500 Vakalaths. We also held discussion with Shri Rajappa in this regard. This Contempt Petition is also to ensure payment of interest in VRS 5 years case also to similarly placed pensioners of eABs, other than SBM & SBP.

Thanks & Regards,
CN Prasad
