

Xth BP - sanction of Stagnation increment to retirees

SBHREA's constant follow up with PPG dept., Amaravati have paved results. Our circle has agreed to retrieve data from bank IT sources, and ascertain eligibility of retirees X BP, Additional Stagnation increment. The department is taking necessary steps to verify eligible retirees, and to arrange sanction of additional increment.

At present, exercise is being done for those retired as sub staff, clerical and Officers I, II and III. Mostly the releases start from this month pension.

Scale IV Officers exercise will be started after clarification (sought) is received from Corporate Centre.

In this regard, we wish to caution our members, not to get carried away by few publicity mongers, who made noise saying SBHREA is not interested to address this problem.

SBHREA made endless efforts to see our members job is made easy. The result is in front of you.

With organisational greetings

K. Rohini Rao
General Secretary
SBHREA
