Dear members

Happy New Year and Happy Makara Sankranti. SBHREA new team enthusiastically is all set to serve all the members. They are already proving their commitment.

In the very first MC meeting, our new team has decided to take the Association to new heights. Many positive decisions were taken in this regard such as:

1. Taking stock of the slow pace of new registrations of membership in past two years because of pandemic, it was decided to reach all the retirees who have not become members of our esteemed organisation. We are proud to announce that results of membership drive is encouraging. We request all members to encourage non-members to join the organisation.
2. The source of income to Association is membership fee and donations. Our Association takes one time membership fees and no other annual charge. Taking stock of deficit of income vis-a-vis expenditure, it was unanimously decided not to claim the telephone charges and conveyance, which was prevalent from past 15 years, until the financial position improves.
3. It was decided to accept contributions of Rs.50/-, Rs.100/- per month from members. This was done to oblige the members willing to help the Association. This should be done by member giving standing instructions in their branch, to credit to SB A/c No. 62424185455 SBI Gunfoundry br., IFSC: SBIN0020066.
4. To curtail the expenditure of MC meetings, it was decided to conduct MC meetings once in 6 months. One physical meeting and one virtual meeting.
5. Two Elected leaders have come forward to donate generously. We appeal members to donate their wishful amounts, if satisfied with services of SBHREA, to strengthen the Association.
6. The enlarged number of SBHREA team has started paying good results. The retirees outside Hyderabad are comfortable reaching the local leaders for their problems and doubts to be redressed. For example, present SBI Health Assist registration and renewal exercise completed so smoothly, despite time given by bank was just one week. This was possible because of presence of team of leaders in all states.
7. It was decided to bring out an e-Magazine to communicate with members our activities, developments pertaining to the retirees, and to showcase members' achievements etc. We are confident this will be welcomed by members.
8. The GS report approved in the triennial meeting, gave details of the Legal Fund, the Writ Petitions filed and was approved unanimously. There is no change nor further developments in this regard. GB has approved formation of Trust to manage Legal Fund, which is to be constituted yet.
9. SBHREA participation in federations ie AIBRPAC and SBRA is well acknowledged. Our unit is important constituent of the two organisations. Our leaders play important roles in both the All India organisations.
10. In first MC, all pledged to work **unitedly** for the betterment of members and to enhance the image of the organisation.

With these words we remain, in the service of all members.
