

**Dear Bank Pensioner Colleagues,**

I am Ashok Wadikar, a pensioner of State Bank of Hyderabad, staying at Pune.

Several efforts are being made to seek justice for us bank pensioners for several years. Many of us here in Pune and elsewhere feel that a Petition to the Supreme Court may be made by the pensioners running the age of 75 and above to seek justice directly without going through the very long judicial procedure.

I write this to request you to participate in this endeavour . You may collect signatures and other relevant details of bank pensioners and take care to send this petition duly to the Supreme Court.

The PETITION prepared for this purpose is sent to you by a separate mail.

Efforts should be made to obtain as many signatures as possible from the pensioners satisfying the age criterion.

The following instructions may please be followed.

1. All the 7 columns may be filled up.
2. Those bank pensioners who were **born in 1940 or Earlier** may sign this Petition.
3. Efforts may be made to get signatures of the more advanced-age pensioners at the beginning of the paper.
4. When obtaining out-station signatures, care may be taken to keep all papers neat and clean.
5. **Date may be entered** on the petition before the dispatch without fail.
6. Papers may not be folded. A large envelope with proper address may be used.
7. If all petitions are signed as on 15th August 2015 and sent by courier on August 17, the receiving Officer can process it in one go and may not feel much botheration.
8. Signatures may be obtained from Natioalized banks, S.B. I. and the Associate Banks pensioners.
9. A scanned copy of the signed papers may kindly be mailed to me. I shall inform you the final number of signatories in due course.

Your enthusiastic work for this Petition will make this effort impressive.  
The petition is drafted after conferring with many in person and by mail.

***Luck smiles on those who believe in effort!***

Wish you good effort. With greetings,

**Dr. Ashok Wadikar**
