**Reg : Your resolve to Delink from State Bank of Hyderabad
Retired Employees' Association.**

Dear Sir,

The resolution of an emergency meeting dated 27th June 2015 held at Gulbarga, forwarded to us under the cover of your letter dated 17th July 2015 apparently signed only by (1) Sri D.H. Kulkarni and (2) N.W. Deshmukh which is purported to have been attended by Karnataka Members is considered by the Managing Committee in its meeting dated 2nd September 2015 as devoid of any facts and the allegations are found to be a fig of your imagination as they are made without putting to strict proof. So the Managing Committee considered the allegations in the said resolution as baseless, also denied all of them and further observed that the allegations are invented and designed by you to appease your urge to delink yourselves from SBHREA to pursue your own future program.

As your actions are considered by Managing Committee to be detrimental to the objectives of SBHREA besides being an attempt to cause disharmony amongst the members with your personal agenda, it is unanimously resolved in the Managing Committee meeting dt. 2/9/2015 of SBHREA that you have voluntarily vacated in all manner from SBHREA by your own action to delink from the same SBHREA to chalk out your own future program.

We thank for your past services to the organisation.

Yours faithfully,

(K.M. SASTRY)

Secretary
