

## **SBHREA - submission of 'Mass Representation' by members**

Dear all members

Time has come to show our solidarity and strength to SBI management. You are aware that many benefits and privileges enjoyed in SBH and eligible as per Gazette notification of Merger are not being implemented by SBI management. For example, Funeral expenses, old pensioners DA payment etc., List of problems are mentioned in 'Mass Representation'.

We need a platform to represent unresolved problems of eAB Retirees. To emphasize the need of periodical structured meetings, to represent our members problems, SBRA, our eAB's federation has drawn an action plan.

We as SBHREA members, have to participate in the given program. We shall have to submit 'mass representation', individually to CGM, Amaravati Circle, like other eAB's do at their respective circles between 11 am to 1 pm on 31/03/23.

All such, you are requested to come to erstwhile SBH, HO, Gunfoundry premises to submit the mass representation to CGM, Amaravati circle. SBHREA will receive you, provide you with a copy of representation. You need to fill your name, hrms number and submit the duly signed copy personally to CGM.

Please make this program a successful show of strength. Without your strength and solidarity SBHREA is zero. Unity and unified actions only will give us results.

We reiterate that your physical presence on 31/03/23 and submission of mass representation is a must. Please join and make it a thunderous show of strength.

With revolutionary greetings, awaiting to receive you all on 31/03/23.

With regards
