

Respected members,

Good morning.

In order to reach all the members for eVoting and to increase the voting percentage, the Care Taking Committee of SBHREA has put all efforts in updating the required details of all members and placed an updated list of members as on 10.4.2026 on the website of SBHREA.

But, it is observed that still the mobile numbers of some members are appearing blank.

Hence, as a further effort, I request the members to go through the list published as on 10.4.2026 and try to get the mobile numbers of persons known to them, whose details are appearing blank.

The details may please be sent latest by 18.4.2026 to SBHREA email sbhrea@gmail.com for updation.

I solicit the cooperation of all the members in making the eVoting process a successful one.

Regards,

Mallikarjun Sanne,
Chief Election Officer.
