

IMPORTANT MESSAGE

Dear all,

SBHREA is happy to share that our Annual General Body meeting to be held in Chatrapati Sambhaji Nagar tomorrow will have LIVE COVERAGE.

We congratulate our Aurangabad Team for this excellent facility created to enable all the members to view the meeting. This is the first time such a facility is being provided.

Please avail this opportunity to see your organisation meeting and your friends who participate in the meeting. We request you to pass on this information to your SBH friends and post on SBH Friends groups.
